# Student Records

The information you need at your fingertips.

The screenshot displays the Gradelink Student Records interface. On the left is a list of students with columns for Name, Grade, and ID. The student 'Earhart, Amelia' is highlighted. The main area shows a detailed view for Amelia Earhart, including tabs for Demographics, Contacts, Addresses, Login info, Documents, Notes, Reports, and Files. The Demographics tab is active, showing fields for First/Given (Amelia), Middle, Last Name (Earhart), Suffix, Grade/Division (6), Status (Active), Family ID (1009), and Student ID (1010). It also includes fields for Date of Birth (01/18/2006), Gender (Female), Entered (05/19/2015), and Withdrawal. A 'Family 1' section lists contacts: Jack Earhart (514) 541-5153, Jill Earhart (145) 415-0345, and the student's contact info (555) 555-5555 (home) / (555) 123, email: amelia.e@example.com. A 'Siblings & Contacts' section lists a sibling, Julie Earhart (Grade 6). A 'Student Notes' section is empty. On the right, there is a 'Login As Student' button, a student photo, and a 'Last Login' record: Parent: Mar 7 2018 11:07AM, Student: more info... Below that, a 'Quarter 3 2017-2018' summary shows Class Title: Attendance 1 & 2, Grade: A (95.9).

## Student Information

Managing all of your student information is easy in Gradelink. Store addresses, demographic data and more for each student. Track enrollment status and even create your own custom tags to suit your school's needs. Export data to Excel, access and print dozens of reports, and so much more.

*“Once we switched to Gradelink we were able to do in 1.5 hours what used to take us 6 hours!”*

— Chris T.

## Classes

Take full control of your classes. Configure credits, grade scales, graduation requirements, titles and more, all customized to your school's values. Set up once, then use it term after term.

## Block Scheduling

Configure rotating block schedules on a weekly or bi-weekly basis, including times and locations. Insightful reports bring clarity and color to printable schedules.

## Medical Data

Authorize staff to provide easy access to medical records, including immunizations, medications, medical history and more in the full-featured medical section.

## State Reporting

Gradelink supports a growing list of state reports so your school can have a best-in-class SIS experience while meeting your state's requirements.

## Family Contacts

Stay in the know on who's who with family contact information, shared contacts, address labels and a family directory.

## Attendance & Behavior

Keep track of everyone.

### Attendance Marking and Reporting

Taking attendance is a snap. Once submitted, these records are immediately available to the school office so administrators can see who was marked absent, tardy, etc.

Choose daily attendance – featuring commenting and tracking for multiple attributes – or take attendance for each subject with optional conduct grades.

### Behavior

Document discipline incidents and behavioral issues. See patterns and notify teachers of potential conflicts.

### Preschool Sign-In

Make a great impression on parents with Preschool Sign-In. It's easy for them to check students in and out securely on a computer, tablet or smartphone. Administrative staff can see instantly which students are on campus.

Use Preschool Sign-In to automatically record attendance each day. Speed up your billing process with a record of each student's time in the classroom.

# Communication & Marketing Tools

Get the word out.

## SmartSend Pro\*

Send urgent text messages right from Gradelink to your entire school family. Record a crucial voice message for mass phone broadcast, even on landline phones. Helpful features like custom lists, scheduling and history logs make communication even easier.

## SmartSend Email

Keep your staff, your students and their families connected with user-friendly, built-in email. Schedule emails to be sent at a specific date and time.

## Custom Groups

Ever need to quickly send an email to everyone on the soccer team? Or perhaps to just your alumni? It's easy with the custom Group Creator. Simply filter recipients by type, status, class and more. Make lists for any situation or group, and they'll be a click away.

## School News & Teacher Pages

Communicate important events with the entire school using a School News page. It's the first thing students and parents see when they log in and it can even be posted on your school's website. Keep each class informed with Teacher Pages, personalized web pages for teachers to use as announcement boards, newsletters, class/course pages, and more.

It's easy to add and edit content anytime, including text, pictures, and links for file downloads.

## Calendars

Keep everyone in sync with integrated calendars. The faculty calendar shows events only to your staff, while the all-school calendar is visible to parents and can be embedded on your school's website. Teachers can even have class calendars, with homework assignments automatically showing on the date due.

# School Websites

Essential for recruiting and communication.

PREMIUM SERVICE

A modern, appealing website is a crucial tool for sharing your school's core values, marketing to prospective families and boosting your admissions.

We design websites that do all that, yet are easy to maintain. You'll get a personal web consultant to take you through the process step by step, ensuring we build your site to your satisfaction. Your custom site will include:

- Your school's logo, colors and more.
- Photo galleries and videos you can update yourself.
- An automated scheduling app to book more tours. One school booked *five tours in the first week* with its new website!
- Integration with Gradelink Calendar or Google Calendar.
- Integration with online enrollment\*.
- Integration with social media — Facebook, Twitter, YouTube and others.
- Responsive design optimized for smartphones and tablets.

*"We are so thrilled with our new website! It is so much cleaner, fresher, user-friendly, precise and engaging."*

## Prospective Student Form

Turn your website into a tool to collect prospects with the Prospective Student Form. As site visitors enter their information, it goes directly into your Gradelink account, making follow up simple. Use it on your mobile device to capture leads on the go.

# Integrated Teaching Tools

One comprehensive system.

Get the advantage of bringing together everything teachers need in one place. Assignments from lesson plans can be added to the gradebook. Your choice of standards integrate with the lesson plans and assignments. And customized report cards bring together traditional grades or even standards

reporting, at your school's preferred level of detail. It's all one complete system.

## Bolster Distance Learning

Gradelink brings your tools together to enhance remote teaching. Enrich assignments with attachments such as worksheets and images. Embed links to video sharing like Zoom and YouTube. Sync grades from Google Classroom to the gradebook. Open the lines of communication with built-in email, alerts, messaging, teacher web pages and school news pages.

## Standards (optional)

For teachers and administrators that need to incorporate standards, it's easy to see which ones have been covered in order to close any gaps in their curriculum. Teachers simply link any applicable standards to assignments to monitor how well students and classes are performing in a given set of standards, including category or sub-category averages.

## Teacher Gradebooks

The GradeSheet combines the look and feel of a traditional gradebook with the advantages of instantly calculating final grades and displaying points, letters or percentage grades with a simple click. Customizable grade codes allow easy marking of assignments as absent, excused, late or any other preferred term.

## Individual Assignment Comments

Teachers can leave helpful feedback on assignments for students and their parents to read when they log in.

## Google Classroom

**Google Classroom Integration** Save countless hours by syncing assignment and quiz grades from Google Classroom to your gradebook.

## Assignment Collections

Never retype an assignment again! Save homework and projects for re-use, complete with descriptions, file attachments, standards and

- Alerts for Birthdays, Discipline and Absences

more. Assignments can even be shared among teachers.

## Custom Grade Scales

Mix and match virtually any grading scale, for any class, whether you use ABC or 123.

## Access

Teachers can be granted access to detailed profile info, including medical notes, as well as view and enter discipline incidents. Conveniently accessible from the GradeSheet.

## Mobile App

Parents and students can see assignments, grades and more with the free Parent/Student App.

## Report Cards

Choose from several customizable report card styles to fit your needs. Get a tailored report card with support for custom classes and grade scales, numbered and term com-

ments, attendance, behavior, work habits and much more. Even include your school's logo or watermark.

Standards-based report cards can display averages

for standard categories, subcategories, or individual standards.

When it's time to run report cards, print them directly in Gradelink or publish them online for parents and students to see.

## Transcripts

Transcripts get updated automatically when teachers conclude classes for the term. Formatted and ready for printing, they are easy for administrators to update as needed. Your school's graduation requirements can be displayed to show earned and remaining units for each student.

# Students & Parents

Keep parents informed.

## Parent/Student Access

Keep parents involved in their child's academic progress with easy access to grades, due dates, upcoming assignments and links to important files to download.

## Auto Grade Monitoring

Help busy parents stay updated on their child's academic development with email alerts. They can opt for notices when their child either excels or underachieves in a class.

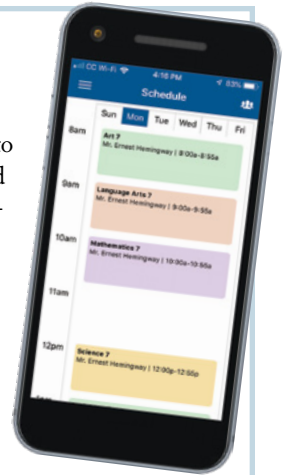

## Attendance

Parents can monitor attendance and conduct on a daily basis and get instant email alerts for noted absences, tardies or other marks.

## Mobile App

Parents and students get access to full academic and attendance information with the free mobile app optimized for iPhones, iPads, and Android devices.

- Get alerts for grades and attendance.
- View class and assignment grades, attendance, upcoming homework, school news, teacher comments, enter and track service hours and more.

*“Gradelink allows a much better opportunity for us to communicate with parents and staff.”*

— G2 reviewer

## Multiple Language Options

All Gradelink users – admins, teachers, parents and students – can set their own default language to English, Spanish or Chinese.

## Homework and Late Work

When teachers add assignments to Gradelink's lesson planner and gradebook, parents and students will always know what's coming due, what their grades are, and any work that has become late or incomplete.

## Behavior

With discipline email alerts, parents can be automatically notified of behavioral or disciplinary incidents, including dates, locations and the disciplinary actions taken.

## Separate Logins

Gradelink provides separate logins for split families and individual student accounts.

## View and Pay Bills

Save time and money on postage by posting statements online for parents' easy access. Add Payment Processing and parents can pay those invoices right online (see page 13).

## Volunteer & Service Hours

It's easy for parents to submit volunteer or community service hours info right in Gradelink and in the Student/Parent mobile app. Administrators can track total hours submitted and remaining by student or family, and approve submitted entries.

## District & Diocesan Gateway

Superintendents get a district/diocesan gateway with on-demand access to powerful reports, including demographics, academic performance, attendance, and student data from any school in the district or diocese. Run reports for the entire district or diocese, or for specific sub-groups which can be configured by district/diocese staff. Custom development is also available to suit your particular needs.

District and diocese admins can now send emails to five different built-in groups directly through their district portal. Reaching groups like staff, parents, new enrollees and more just got a whole lot easier.

# The Industry's Highest-Rated SIS

Our 2,000 schools have made us one of the highest-rated SIS on independent review sites like G2, Capterra, and GetApp in multiple categories.

Save time.  
Improve enrollment.  
Fulfill your mission.

*"It's wonderful having everything centrally located in one database, online, that we can access from anywhere."*

— Jessica C.
